Your Full Service Benefit Plan Administrators

Administrative Service Professionals (ASP) has been a leader in retirement and health and welfare plan administration, with over 65 years of history. ASP provides a variety of plan administration services to ERISA-regulated employee benefit plans.

For over a decade, ASP has been instrumental in redesigning benefit plans and has developed integrated relationships with vendors to provide services to contain costs. ASP's rich history has provided services for a multitude of industries, with tailor-made services for each, including services for generations of Teamster members, dependents and retirees.

Rest assured that ASP will always have the interests of its clients as its top priority, with the best in legal protections and assurances. From the largest to the smallest customers, we can provide exactly what you need.
