June 16, 2020

Hon. Senator Kim Ward:

On behalf of the Pennsylvania Conference of Teamsters and our 95,00 members, I would like to personally thank you for your professionalism, leadership and impartiality in chairing the PA Senate Transportation Committee Public Hearing on Lay-Offs and All-Electronic Tolling at the PA Turnpike Commission on June 15, 2020 that commenced at 10:00 AM.

Furthermore, I would like to thank you for standing up for the rights of our hard-working Teamsters that dedicated many decades of service to the Commonwealth and for giving the Teamsters the opportunity to tell their side of the story.

The Teamsters have negotiated many contracts with the Turnpike Commission over the years in good faith and have always upheld their end of the bargain and honored their commitments that were mutually agreed to.

Again, thank you for taking the time to address our issues. It was an honor being a part of the public transportation hearing under your leadership in your position as the Chair.

Sincerely yours,

William Hamilton
President
